

We made a first journey in Madagascar in 1997. In november 2016 we restricted the visits to Andasibe-Mantadia NP (4 days and 2 nights) and Antongil's Bay with Masoala NP (4 days and 4 nights), Farankaraina forest (1 night), Mangabe island (1 day) and Makira a Protected Area managed by WCS (1 day and 2 nights).

In Andasibe we were guided by Honore (honore1503@gmail.com).

In Antongil bay we booked 13 days trip with Olivier Fournajoux (ecolodgechezarol@gmail.com) and our nature guide was Joseph (josephbolgar@yahoo.fr) : very good.

Masoala is really fantastic for nature. Night walks are made outside the national park.

Mangabe island is a good spot but it is forbidden to have night walk as in all national parks of Madagascar !

We did not have enough time to appreciate Farankaraina forest : but the night walk was very productive (15 Greater Dwarf Lemur, 10 Mouse lemur sp and 2 Aye-aye).

Makira is difficult to reach : 4 hours of motor boat, then 3 hours of difficult walk. Walking in search of animals are also difficult.

In our trip list of 24 mammals we did not succeed in identifying Mouse lemur. Is it possible to help us with these pictures ?

Marie-Claude et Michel GERVAIS (gervais.michel@wanadoo.fr)

Andasibe Mantadia

Mouse lemur *sp*
Furry-eared Dwarf lemur *Cheirogaleus crossleyi* (cf)
Red-bellied Lemur *Eulemur rubriventer*
Common Brown Lemur *Eulemur fulvus*
Black and White Ruffed Lemur *Varecia variegata*
Diademed Sifaka *Propithecus diadema*
Indri *Indri indri*

Mangabe island

Madagascar Flying Fox *Pteropus rufus*
White-fronted Brown Lemur *Eulemur albifrons*
Black and White Ruffed Lemur *Varecia variegata*

Makira

Mouse lemur *sp*
Greater Dwarf Lemur *Cheirogaleus major*
White-fronted Brown Lemur *Eulemur albifrons*
Red Ruffed Lemur *Varicia rubra*
Eastern Avahi *Avahi laniger*
Silky Sifaka *Propithecus candidus*

Masoala

Lowland Streaked Tenrec *Hemicentetes semispinosus*
Peter's Sheath-tailed Bat *Emballonura atrata*
Mouse lemur *sp*
Greater Dwarf Lemur *Cheirogaleus major*
Seal's Sportive Lemur *Lepilemur Seali*
Eastern Grey Bamboo Lemur *Hapalemur griseus*
White-fronted Brown Lemur *Eulemur albifrons*
Red Ruffed Lemur *Varicia rubra*
Eastern Avahi *Avahi laniger*
Fanaloka *Fossa fossana* (Furtive observation)
Ring-tailed Mongoose *Galidia elegans* (Furtive observation)
Lowland Red Forest Rat *Nesomys audeberti* (cf)
Webb's Tuft-tailed Rat *Eliurus webbi* (cf)
Voalavoanala *Gymnuromys roberti* (cf)

Farankaraina forest

Greater Hedgehog Tenrec *Setifer setosus*
Mouse lemur *sp*
Greater Dwarf Lemur *Cheirogaleus major*
Aye-aye *Daubentonia madagascariensis*
