(www.dodislemurtours.com)

(July 18th – August 18th)

Dodi did an excellent job organizing our 31-day photo safari. All our travel wishes were exceeded. He responded quickly, reliably, and flexibly to all our questions during the trip planning. Throughout the trip, we were in constant contact with Dodi and felt very well taken care of. The drivers and guides were outstanding! We highly recommend Dodi!
